

Elixir 2026, the annual Open Day at St Josephs University

St. Joseph's University, Bengaluru, hosted Elixir 2026, its annual Open Day, attracting nearly 2,500 visitors and showcasing innovative exhibits, research projects, and interactive demonstrations by 48 academic departments. The event featured the TED-Ed programme, AI-focused discussions, and interactive exhibits, offering prospective students a glimpse into the University's academic environment. VC Rev. Fr. Dr. Victor Lobo highlighted the importance of curiosity, adaptability, and lifelong learning in the age of AI and automation. Elixir 2026 reaffirmed the University's commitment to innovation, experiential learning, and future-ready education.
